As stated in 17.1 above, CCC2 [U13-U16] will implement all the new Football rules as per the FRC.

Below are three rule changes CCC2 draw particular attention to:

1. Solo and Go

Any player can “solo” the ball if he wishes to take a solo and go. The player cannot be challenged within 4m of the free. The free is advanced 50m if he is challenged. The solo and go *is not permitted within the opposing 20m line.* The solo and go must be taken immediately, anywhere within 4m of where the foul took place. A free against the player shall be awarded if the solo and go / free is not taken immediately. The ref shall direct the player to take the free from the original position if a player attempts to take it further than 4m away. If the player fumbles the solo and go the ref shall allow it to be retaken. This must be taken moving forward or sideways. A free will be awarded against you if you go backwards. The solo and go cannot be taken where the ball has been moved forward 50m.

2. 3 v 3 Structure Rule

Teams must keep a minimum of 3 outfield players in each half. If a team is reduced numbers for a black / red card, you can reduce the requirement by that number (must have a maximum of 11 outfield players in the defending / attacking half). A goalkeeper is not considered an outfield player and can be positioned in the opponent's half. (Goalkeeper must be in the small square if he is not taking his own kick out)

A player crosses the halfway line in the act of *carrying, receiving or intercepting the ball* whilst failing to keep 3 inside the opponents / own half will result in a **free on the halfway line**, or referee may allow an advantage if there is one.

The ref will **throw the ball in** on the halfway line if *opposing players cross over the halfway line*.

A team *deliberately failing to keep 3 players* in the half will be penalised with a **free on the 20m line** in front of the scoring space.

Both feet must be outside the halfway line for a free to be awarded.

(as per Regulation 2 above , some leagues allow 11 a-side , so in these circumstances a team are allowed to have no players in opposition half)

3. Dissent

Advise teams before the start of the match. Only the captain / nominated player can ask the ref (during a break in play) for clarity on a decision. Players can still talk to a ref but not question a decision – penalty is advance the ball 50m. “To show dissent by forcefully challenging the referee’s decision to award a free kick to the opposing team, either verbally or by gesturing.

Continued dissent is a Yellow Card. Ball may be moved back outside the 40m arc.

If an identifiable team official displays misconduct (e.g. falls into yellow or red card territory) towards any match official, the ref will **award a free on the opponents 13m line and issue a yellow / red card to the mentor**. (Note – a red card for a team mentor incurs an 8 week suspension at juvenile level). This is the only occasion where the ball may be advanced to the 13m line. Players may bring this outside the 40m arc to attempt two pointer if the free was awarded outside the 40m arc.

Juvenile players shall be issued with a **Black Card** for showing dissent but can be immediately replaced by a teammate for the 10 minutes.
